The Campaign for Coastal Lands

This Fundraising Campaign is a significant undertaking to protect exemplary stretches of our local coastal lands.

To achieve our land conservation goals on Navy Island and at Sam Orr's Pond, the Nature Trust must raise approximately \$950,000.

Every donation counts.

Help protect these lands by sending your donation today.

U.S. residents may now donate **tax deductible** gifts of cash and stock/securities through *American Friends of Canadian Land Trusts* (AFoCLT).

AFoCLT is a 501 (c)(3) U.S.-based non-profit organization with 509 (a)(1) public charity status that partners with Canadian land trusts in their efforts to secure the future of some of Canada's signature landscapes.
