

# GREAT FUNDY COASTAL CLEANUP SURVEY

Name

Email

**Would you like to receive via email:**

The results of the clean-up? <b>YES / NO</b>	Volunteer/Steward opportunities near you? <b>YES / NO</b>
--	---

**What did you think about the amount of marine debris in your area before and after the clean-up?**

Your impression <b>BEFORE</b> the cleanup	Check one
Our coast is very clean; hardly any debris	<input type="checkbox"/>
We have some debris, but it's not a big issue	<input type="checkbox"/>
We have quite a lot of debris: it's a real problem	<input type="checkbox"/>

Your impression <b>AFTER</b> the cleanup	Check one
Our coast is very clean; hardly any debris	<input type="checkbox"/>
We have some debris, but it's not a big issue	<input type="checkbox"/>
We have quite a lot of debris: it's a real problem	<input type="checkbox"/>

**Based on your cleanup experience, what should be done to reduce the debris that reaches our coast?**

Improve legislation to reduce plastic pollution and improve waste management	<input type="checkbox"/>
Improve recycling programs (provincial recycling strategy)	<input type="checkbox"/>
More coastal cleanup events	<input type="checkbox"/>
Information campaigns about pollution and recycling opportunities	<input type="checkbox"/>
Better enforcement of plastic polluters	<input type="checkbox"/>
Any other ideas?	

**Based on your cleanup experience, what consumer and waste disposal habits will you adopt?**

Reduce use of single-use plastics (plastic bags, water bottles, straws, etc.) and styrofoam	<input type="checkbox"/>
Avoid purchasing products in plastic packaging	<input type="checkbox"/>
Participate in more coastal debris cleanups	<input type="checkbox"/>
Recycle applicable products	<input type="checkbox"/>
Repurpose and reuse items	<input type="checkbox"/>
Any other ideas?	

**Were you surprised by some of the things you found during the cleanup (i.e. the amount of a certain type of debris, or some really unusual item)? If so, what surprised you?**
